Driven by a passion for technology, I love transforming ideas into functional solutions. Committed to **Excellence** and **Innovation**, I strive to contribute and grow while upholding **Integrity** and **Respect**.

AREAS OF INTEREST

- **Web Development**
- **Artificial Intelligence**

SKILLS

- **Web Development:** HTML | CSS | Bootstrap | JavaScript | Django | MySQL
- **Tools & Technologies:** Git | GitHub | VS Code | Canva | Figma | MS Excel
- **Programming Languages:** C | Python
- **Soft Skills:** Continuous Learning | Leadership | Problem Solving | Time Management |

PROJECTS

INTERNLINK Website (HTML - CSS - JavaScript - Django - MySQL)

- Role: **Full-stack Developer**
- Developed an **intern management system** with a structured database, replacing a Excel-based tracking.
- Designed a **4 -page dashboard** to display and search team-based intern data dynamically using Django.
- Implemented **CRUD operations** to add and manage over a **100 intern test records efficiently in MySQL**.
- Integrated **user authentication** with **role-based permissions** for secure data access control.

EKART - eCommerce Website (HTML - CSS - Bootstrap - JavaScript - Django)

- Role: **Full-stack Developer**
- Built a shopping system with **10+ product categories** and a streamlined shopping and checkout process.
- Integrated **SMTP - based email notifications** for user sign-up, password reset, and order confirmations.
- Designed a custom **admin panel with 3+ management features** for efficient product and order handling.

FINTRACK - (HTML - CSS - JavaScript - Django - SQLite3)

- Role: **Full-stack Developer**
- Developed a **finance management system** with a structured database to store & track 100+ transactions.
- Created a dashboard with **graph visualization of 10-day trends** and a **pie chart for expense breakdown**.
- Implemented **user authentication** to ensure secure access and personalized financial tracking.

CERTIFICATES

- **Artificial Intelligence Fundamentals** - IBM
- **Python** - IBM
- **HTML and CSS** - GUVI
- **Django Framework Basic To Advanced** - GUVI

EDUCATION

Bannari Amman Institute Of Technology	Sathyamangalam
• BE. Electrical and Electronics Engineering - CGPA - 8.59 (Up to 5th Semester)	2022-Present
Alpha GK Matriculation Higher Secondary School	Kotagiri
• HSC - Scored - 88.1%	2021-2022
• SSLC - Scored - 98.8%	2019-2020

VOLUNTEER EXPERIENCE

- **Communication Training for Juniors** – Trained **12 students**, helping **8 pass a communication assessment** through interactive activities and personalized feedback.
- **Event Organizer - El Futurix'24** – Led a team of **10 volunteers** to manage a Mock IPL Auction for **60+ participants**, designing a customized points system and ensuring smooth event execution.
